

CONSIDER DONATING TO JOHNSON'S MONTESSORI SCHOOL

Dear Potential Donor

Your generous donations would be used to improve our school programs through purchasing additional books for our library and new materials for the classrooms. We welcome general donations to support our quest of continuing to be an important part of young children's lives.

No matter how large or small your donation, please be assured that it will be used to continue to improve our school. Johnson's Montessori School will continue to be a wonderful place for the children in our area to begin learning about life and its many aspects. It is a place where each child is respected for their individuality, taught to be responsible and resourceful at an early age and get a great start on their life long education.

As an added note, please be aware that because Johnson's Montessori School is a profit/non-profit school, 100% of your donation can be used as a tax deduction.

Sincerely,
Carla Johnson, Owner and Director
Geraldine Johnson, Owner and Curriculum Specialist
